submitted to our officers a current 41.24 LAMC form.

2). On 07/23/2014 1140 hours / 1150 hours received a radio call at the listed location;

RADIO CALL / TRESPASSER REFUSING TO LEAVE: 6013 Sunset Boulevard. ECO Rent A Car. Upon arrival, Officers observed a female Hispanic adult (Later identified as Ortiz, Maria DOB: 01/16/1965) seated on the ground near the front entrance of the business (Inside the property line). Officers contacted PR / employee Donald who advised Officers that Ortiz did not have permission to be on the business premises and further advised Ortiz to leave. Ortiz refused to leave.

We made contact with Ortiz and advised her to leave the premises several times. Ortiz did not respond to any of our request. Officers assisted Ortiz to her feet at which time Ortiz left the location.

INVESTIGATION:

At approximately 1220 hours, we were dispatched for a second time today to 6013 Sunset Boulevard (ECO Rent-A-Car) regarding a female, Hispanic, adult (later identified by "LiveScan" by her fingerprints as S/ Ortiz, Maria) seated to the front of the location refusing to leave.

When we arrived, I made contacted with the R/P Umphenour who told me that he has tried numerous times to get DOE to relocate from the front of his business. Umphenour said that her presence in front of their store drives customers away and loses revenue for the business.

Umphenour advised during the time that DOE was seated in front of their business, he has lost a couple of clients / business. Umphenour said that he has exhausted all his resources in order to avoid placing DOE under arrest. Umphenour then requested that we arrest DOE for 41.24 (d) LAMC - (Trespassing). I asked Umphenour if we (my partner and I) could try to assist her up to leave the front of his property. Umphenour advised, "Yes."

My partner and I ordered DOE (in Spanish and English) several times to relocate or she would be subject to arrest. DOE looked at us and continued to ignore are orders.

I then spoke to Umphenour and advised that he needed to place DOE under "Citizen's Arrest" Per 837 PC. Umphenour read, understood and signed the "Private Person's Arrest" form, as per 837 Penal Code - (Private Person's Arrest - Authority To Arrest / see attached form).

A short time later, BID Officer(s) Ayala, Coggle and Parra arrived to our location to assistance us.

ARREST

Based on the fact that DOE refused to leave after being asked several times by the management and us, we placed her under arrest for 41.24 (d) LAMC - (Trespassing).

ARREST:

We advised DOE that we were placing her under "Private Person's Arrest", as per 837 Penal Code - (Private Person's Arrest - Authority To Arrest / see attached form) for 41.24 (d) Los Angeles Municipal Code - (Trespassing on commercial property open to the general public).

Officer Coggle and I then guided DOE up from the ground and place handcuffs on her (adjust and double lock). We escorted DOE to the patrol car, sat her in the left rear passenger seat, and adjusted her seatbelt accordingly.

BOOKING:

DOE was subsequently transported to the Hollywood Community Police Station. Where I met with Officer Phelan #39661 (LAPD/Hollywood station). I explained to Phelan that DOE was not speaking to us and or answering any easy questions, such as; her name and DOB. I advised Phelan that at this time she was going to be named JANE DOE, due DOE not cooperating with our request in gathering necessary information.

Phelan then referred me to the "on duty" watch commander, Sergeant Vidal. I explained the circumstances to Vidal. Vidal advised that he wanted Phelan to take custody of DOE until we get a confirmed identification on DOE, via "LiveScan" fingerprinting.

I then escorted DOE to the booking area of Hollywood station and handcuffed her to the booking station, as per Vidal's request. I then relinquished DOE to the custody of Phelan for further follow up on identifying her.

DOE was going to remain at the Hollywood Community Police Station Jail for a further investigation by Phelan.

EVIDENCE:

1). A signed P.P.A. was obtained from the R/P (Manager, Donald Umphenour) see attached.
